# **WHY USE LASCO DIAMOND CARVING TOOLS**

Lasco Diamond Products Carving Tools are manufactured in the United States, in our Chatsworth, California facility, utilizing American technology and American quality.

Lasco's Diamond Carving Tools come in a wide variety of shapes, and grits ranging from 40 grit for roughing out or removing bulk, to 600 grit for a pre-polish finish. Lasco's diamond carving tools are made with 100% diamond.

The exclusive LASCO-BOND processing assures uniform diamond placement and extreme accuracy in controlling the thickness of bonding material. The diamond is positively anchored, and unlike cheap imitations, the diamond will not peel or pull out.

Triple inspection guarantees absolute consistency in grinding shanks to a tolerance of plus or minus two ten thousandths of an inch. Concentricity guaranteed.

LASCO Diamonds hold a cutting area without skipping, binding, or jumping. You enjoy fast, vibration free, self cleaning reduction.

When quality counts, use Lasco diamond tools.

**CAUTION:** Always wear eye and face protection when using rotary tools. Chuck your tool securely, making sure that only the cutting surface is protruding. Always use plenty of water when cutting hard materials and make sure to wear a protective mask. No warranty, expressed or implied, concerning the use of these products is made. The user assumes all risk of use and/or handling.

**LOOK FOR THE LASCO LABEL - PROUDLY PLACED ON EVERY BOX**

# MICRO ULTRA MACHINE

The Lasco Micro Ultra machine is light weight, easy to use, and extremely portable. The unit comes complete with a variable slide speed control box with LED indicator, quick release micro motor hand piece, and hand piece stand.

Use the table top slide speed control box to quickly adjust the hand piece to any desired speed up to a maximum 25,000 RPM. Use the forward/reverse switch to set the desired turning direction. The machine accepts all standard 3/32" burs.

**\$395.00**

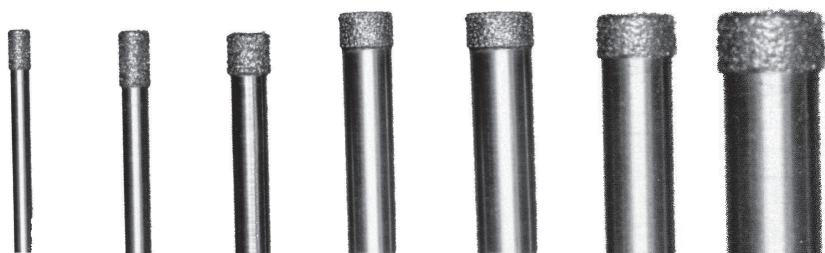

For even greater flexibility add the optional variable speed foot control for only \$25.00
